

Do I have to fly or drive to Washington D.C to apostille or authenticate my personal documents?

Not unless you like wasting a ton of your hard-earned money, resources, and valuable time.

You only have to follow these easy instructions and then we can take care of everything for you:

Step 1: Mail (or drop off at our Austin, TX office) your original federal documents or original non-Hague Convention member country documents to us.

Step 2: Mail or email us a prepaid return FedEx or UPS shipping label so we can mail your documents back to you or to whomever you want.

Step 3: Complete and email or mail us our **federal apostille service** order form.
