

# How do I apostille my FBI background check?

Once you order an FBI background check report, you'll email us the FBI PDF report that you'll download from any FBI channeler-approved website. You **must request when you order your FBI background check the downloadable/electronic PDF option**. Otherwise, they'll only mail you the physical FBI background check. Then you'll have to mail your original FBI background check to us instead of being able to do the free and faster email ordering route.

We'll then rush file your FBI criminal background check at the US Department of State in Washington, D.C, and mail it back to you with the FedEx or UPS prepaid return shipping label that is required that you provide us.
