

# **Can you obtain a new Texas birth certificate for me then rush apostille or authenticate it?**

Yes, our sister company can rush obtain a new raised seal certified long form or short form Texas birth certificate for you (as long as you were legally born in Texas) within 24 hours as soon they get all the state-required paperwork from you.

Once they've obtained your new certified Texas birth certificate they'll hand it off to us so we can then rush apostille or authenticate it at the Texas Secretary of State office.

Please contact us by email or phone for more information because to start the Texas birth certificate ordering process it must be done on a different website.
