

Do you accept PayPal for payment?

Yes, we accept PayPal as a payment method for all our different apostille services.

Go to www.PayPal.com or download and use the **Android PayPal app** or **Apple PayPal app** on your cellphone.

Then click on the **Send and Request** tab if you are using a laptop or desktop computer browser, or hit the **Send** tab if you are using the PayPal app on any Android phone or Apple iPhone.

Use the email address listed above to send money to us via PayPal for any of our rush apostille, authentication, or document legalization services.

Please also note that we must receive the full PayPal payment before we receive your documents via mail or drop off, and before we will perform any rush apostille services for you.
