

Do you have an apostille and authentication service guarantee?

Yes, we guarantee to rush attempt to file your documents in the time frame that you pay for.

We cannot guarantee nor can any apostille service company that your documents will be accepted by the Texas Secretary of State or the U.S Department of State or the exact length of time it will take them to issue an apostille once we filed your documents with them. It could be the same day or up to to two business days as of May 15th, 2024.

There are **no refunds if your documents get rejected for any reason** and you're **only paying us to attempt to file your legal documents** with state and federal government entities.

When you sign our order forms, you legally agree to these terms.
