

How do I make an apostille appointment?

You can mail us your documents anytime or call or email us to set up a time for you to drop off your documents at our Austin, TX office between 9am-5pm Mon-Fri (not including all major state and federal holidays). We can also travel to your home or office in the greater Austin metro area to notarize and pick up, and/or drop off your documents as well.

There is **no “walk-in service” per se** since the only place you can file documents to receive a state or federal apostille certificate or authentication certificate is at the Texas Secretary of State’s office in Austin, TX, or at the U.S Department of State in Washington, D.C.
