

Can I have a Texas county clerk's office send my divorce certificate or divorce decree directly to you?

Yes, you can.

But only if you email us our Texas apostille order form and email us a prepaid return FedEx or UPS shipping label BEFORE we receive your documents from the Texas county office who issued your Texas divorce decree or Texas divorce certificate.

The Texas county office or you then mails your certified copy or original Texas divorce decree or Texas divorce certificate to:

Apostille Texas
108 Wild Basin Rd S, Ste 250
Austin, TX 78746
