

# Do I have to fly or drive to Austin, TX to apostille or authenticate my personal documents?

No, you don't.

Unless you love the delightful never-ending stress and frustration of dealing with slow dysfunctional government entities and wasting your money and precious time.

Or you can follow our simple 3-step ordering process.

**Step 1:** Mail your original recordable documents or original wet ink notarized non-recordable documents to us so we get them by **noon CST**.

**Step 2:** Email or mail us a prepaid return FedEx or UPS shipping label so we can mail your documents back to you or to whomever you want.

**Step 3:** Complete and email or mail us our **Texas apostille service** order form.

That's it.

Easy Texas peasy.
