

How do I apostille a marriage license in Texas?

If you already have an **original Texas marriage license** that was **issued less than 25 years ago** all you have to do is mail or drop off at our Austin, TX office your **marriage license** along with our **expedited Texas apostille order form** and a **prepaid return FedEx or UPS shipping label/envelope** so we can mail all your documents back to you.

If you don't have an original Texas marriage license yet (or it was issued over 25 years ago) you will need to order a new one from the Texas county where the marriage event happened.
